What is MIA?

MIA is the UK's leading provider of healthcare credentialing and the MIA appointment system, supporting the majority of NHS and private hospitals nationwide and serving over 12,000 registered cardholders.

The system gives you access to the healthcare facilities that you visit frequently, allows you to visit members of hospital staff through appropriate channels, and gives them confidence that you hold the correct training, vaccinations and checks to ensure patient safety.

Demonstrate your professional competency

Access UK hospitals with no interruption

Enhance your knowledge with 40+ training courses

Scan the QR Code below to take your first steps to siging up.
